VA enrolls record number of women veterans in healthcare

More than 53,000 women veterans – a record number – have enrolled in healthcare from the Department of Veterans Affairs since May 2023.

Task & Purpose / Jun 12

More than 53,000 women veterans enrolled in healthcare provided by the Department of Veterans Affairs, or VA, between May 2023 and May 2024, the largest enrollment for women veterans on record, the VA announced on Wednesday to mark Women Veterans Recognition Day.

Rest in Peace Dr. Doris "Lucki" Allen, CW3, USA (Ret). May 1927 - June 11, 2024.

On June 26, 2009, Dr. Doris "Lucki" Allen, PH.D became a member of one of the most exclusive organizations in the world: The Military Intelligence Corp Hall of Fame.

In 1963, Lucki entered the intelligence field and became the first woman graduate of the US Army Intelligence School as a Prisoner of War Interrogator. In 1970, after three one-year tours in Vietnam, Dr. Allen became the first official full-time woman instructor of the US Army Intelligence School of Interrogator Prisoner of War Course.

In late 1971, Lucki was selected to become a Special Agent / Counter Intelligence technician. In that capacity she conducted investigations to prevent, detect and neutralize acts of espionage, sabotage, subversion and treason.
